13 July 2020

Dear Parent and Guardians.

Thank you for your positive attitude and the support that you are giving your children at home.

The Department of Education, published in the Government Gazette, (Volume 661 number 43510) on the 7th of July 2020, that all Grade One learners will return to school from the 27th of July 2020. Therefore, we will be posting work on the school's website (www.strubies.co.za) for the next two weeks only.

A rotation schedule for the week 27th to the 31st of August will be available soon. The rotation schedule for the remainder of the year, as published in the newsletter (6 July) on the school's webpage still applies.

We ask you to strictly adhere to these dates for your child in order for us to enforce social distancing to keep everyone safe.

Please make use of this time to read the readers that was given earlier. All work that was given on the website should be completed and send on the first day when the learners return to school.

We are really looking forward to see the learners.

Yours in Education.

The Grade One Educators.
