20 July 2020

Dear Parent and Guardians.

If all goes well, the Grade One learners will return to school next Monday the 27th of July. Please see below the rotation schedule and dates for the Grade One learners, in group A and B during the month of July. Please note that **Group B** will return to school on the **27th of July** and **Group A** on the **28st of July**.

We ask you to continue to strictly adhere to these dates for your child in order for us to enforce social distancing to keep everyone safe.

The rotation schedule for the remainder of the year, as published in the newsletter (6 July) on the school's webpage (www.Strubies.co.za) still applies.

July	
Group 8	Group A
27th	28st
29nd	30rd
31th	

We ask you to strictly adhere to these dates for your child in order for us to enforce social distancing to keep everyone safe.

This will be the last week of publishing work on the school's webpage for Grade Ones. Please note that no Afrikaans work was posted this week. Week 1 to 9's work was removed and only the last two weeks work will be available for download.

We would like you to please put all the work that your child has done during the lockdown period in plastic sleeves in a ring file, each subject in its own plastic sleeve and send it to school on the first day when your child/children return to school.

Remember to pack healthy lunch and a bottle of water for your child as lunch may not be shared due to health reasons. Make sure that lunch boxes and water bottles are packed in the learner's bags as no lunch can be delivered at school for your child. The tuck shop is also closed.

Insure that you child eats a healthy breakfast as there will only be one break from 10:45 to 11:15. Please send a little blanket or towel with to sit on during break.

We are really looking forward to seeing the learners.

Yours in Education.

The Grade One Educators.
