

Good day Parents and Children in Grade 2

We are missing you all so much and can't wait to see you back at school. For now though, we need to listen to our President and stay at home. We hope that you are washing your hands well, keeping a big space between you and your family members, coughing and sneezing into your elbows, keeping busy by helping around the house, playing, resting and being kind to everyone in your home.

We want to make sure you keep learning so we're sending you some work to do at home. Remember to work neatly. Try to read the instructions on your own. If you don't know something then you can ask someone to help you. You must try to do the work by yourself. Remember to keep all the work you have done and bring it when the President says you can come back to school.

Take care of yourselves.

We love you lots!

From

Your Grade 2 Teachers
