5. Lastely: Please keep to a routine at home and divide the work equally on a daily basis, so that you or your child do not feel overwhelmed.

If you are running low on ink or can not manage to print out the worksheets for your child please make sure that they still write and complete the given activities on paper.

Remember all worksheets and booklets can be punched and kept in in the given portfolio files on the last day of school for term / or if you have an extra file at home. Please just make sure that all the work done and given is kept in a safe place for returning to school as soon as we have more information, as part of our catch up programme. We as Grade 3 teachers also have seperate class Whatsapp groups for support or questions. Please feel free to ask for assistance. Enjoy the time with your child and relax! We can do this if we work together as a team.

Thank you for your support in advance.

Kind regards untill next week.

The grade 3 educators.
