

## *Strubenvale Primary School*

July 2020

Dear Grade three parents:

The president announced that public schools will close from 27 July-24 August 2020 for all grades.

Therefore work will be posted on the school website as from 3 August to continue week with /5's online learning programme. Most of the Grade Three learners received a file with worksheets for all subjects when they briefly returned to school during the week of 20-24 July 2020.

Please finish the worksheets within this allocated period, as we will start assessments shortly after the learners return.

Only the learners who did not attend school will have to follow the online home programme to also have a chance to complete the weekly worksheets given, to prepare for the assessments that will follow. We thank you in advance for your dedication and co-operation.

Kind regards and stay safe.

The Grade Three educators.
