

Strubenvale Primary School

August 2020

Dear Grade three parents:

The president announced that public schools will close from 27 July-24 August 2020 for all grades.

Therefore we posted work for week 16's online home programme. See attached to this letter an explanation of the work for this week. Please finish the worksheets within this allocated period, as we will start assessments shortly after the learners return.

Remember that only the learners who did not attend school during the week of 20-24 July will have to print and complete the weekly online home programme. The other learners received a workfile at school to take home and complete. This workfile contains the same work as that of the home programme. We thank you in advance for your dedication and co-operation.

Week 16 home programme:

Mathematics: 10 times table, bonds to 20 and mental test worksheets. Book / Term 2 DBE page 86,87,88,89 and page 114,115 as well as page 116,117.

English: Composing riddles, Wordsearch and a spelling worksheet to revise all consonant and vowel blends done in phonics so far. Reading the poem about insects.

Afrikaans: "aa, ee" vowel sound worksheets. Complete the words and make sentences.

Life skills: Observe and draw an insect. Make your own acrostic poem about recycling.

Remember our Whatsapp groups if you need any assistance parents.

Kind regards and stay safe.

The Grade Three educators.
