Dear parents and learners.

The school management team has instructed us to give learners a two week break. Please use the time to assist the children with their work and help those who fallen behind to catch up.

We are aware that long distance learning has its challenges. We urge the learners to continue to do their best.

We are still waiting for the new curriculum from the department of education. Once we receive that, we will continue to provide new lessons in accordance with the trimmed curriculum.

It is still important to continue to adhere to social distancing, sanitizing and wearing masks. Please keep safe.

Kind regards

Mrs. NP Zitha.
