Dear parents and learners.

The school management team has instructed us to give the learners who are completing the online work a two week break. Please use this time to assist the children with their work and help those who have fallen behind.

We are aware that doing distance learning has its challenges. We urge the learners to continue to do their best.

We are still waiting for the new trimmed curriculum from the department. Once we have received that we will continue to provide new lessons in accordance with the trimmed curriculum.

It is paramount that we continue to adhere to social distancing, sanitizing and wearing masks. Please keep safe.

Kind regards

Chris Childs.
Grade 5 Tutor.
