  - 2- Verbind – combine the sentences**
  - 3- Beskrywende woorde – description words**
- 

**Gr. 5 Letter**

Dear parents

Please know all this work must be completed when Gr. 5 learners return to school. It must be written in their book or answered on copies of all the work that I have sent on the website. Clear instructions were given at all the lessons as well as translations. As we are in week 16 now, I think that learners must use their dictionary if they do not understand certain words as we are already halfway through the year.

I will continue to send work every week until they return so that they can carry on with their academic year instead of falling behind.

I appreciate all your hard work and can not wait to see you again!
