## 6 PREAMBLE

- 6.1 School violence and substance abuse takes place throughout the world; in South Africa this phenomenon is manifesting itself through gang violence, weapons in the school, sexual violence, bullying, assault, theft and robbery. School violence affects all schools irrespective of location.
- 6.2 In the light of the above, it is imperative for schools to develop a school safety policy, with thorough plans and data collection tools to enable them to pro-actively deal with and better manage threats to school safety.
- 6.3 Through this policy, Strubenvale Primary intends to:
- a) Place the issue of school safety at the top of the agenda of all stakeholders,
  - b) Adopt a zero-tolerance approach to all perpetrators of any form of school violence, gangsterism, substance abuse and bullying.
  - c) Ensure that all incidences of school violence, gangsterism, substance abuse and bullying must be reported by all stakeholders to school authorities and the police services once they become known.
  - d) Ensure that there is appropriate support for the victim and victim empowerment and
  - e) Ensure that abuse is managed with care, sensitivity and confidentiality to mitigate against secondary abuse.

## 7 PURPOSE OF THE POLICY

- 7.1 The overall purpose of the policy is to ensure that the school is safe for all and that effective measures are employed to address issues related to discipline, drugs, dangerous objects, violence, bullying, rape, assault, sexual abuse, theft and robbery.

## 8 OBJECTIVES OF THE POLICY

- 8.1 To promote a safe school environment and declare the school as a Violence and Drug free zone.
- 8.2 To put in place measures for the prevention of violence, rape, abuse, assault, bullying and gangsterism.
- 8.3 To put in place structures to co-ordinate School Safety Programs and to sustain gains made.
- 8.4 To clearly set out the roles and responsibilities of the various stakeholders in the pursuit of a safe school environment,

- 8.5 To put in place clear protocols for the recording, reporting and management of incidents.

## **9 SCOPE OF APPLICABILITY**

- 9.1 This policy applies to all learners, staff members (CS and PS) and governing body of Strubenvale Primary and
- 9.2 Matters related to the Occupational Health and Safety Act are excluded from the application of this policy.

  - (v) Subject himself or herself and anything which he or she has in his or her possession or custody or under his or her control to a search by a person of the same gender, an examination by an electronic device, sniffer dogs or other apparatus in order to determine the presence of any dangerous object or illegal drug; and
  - (vi) Hand to the principal or HOD anything which he or she has in his or her possession or custody or under his or her control for examination or custody until he or she leaves the premises.

- f) The “Regulations for Safety Measures at Public Schools, 2001”, allows the Principal or HOD to remove any person, anytime from the school premises if:
  - (i) That person enters the public-school premises concerned without the permission of the Principal, and
  - (ii) The Principal or HOD considers it necessary for the safeguarding of the public-school premises concerned or for the protection of the people thereon.
  
- g) Any person who contravenes the abovementioned measures may be removed from the public-school premises, with the assistance of the SAPS.

## 11.2 Weapons and Drug Free Public School:

- a) Strubenvale Primary is a drug free and dangerous object free zone.
  
- b) No person may:
  - (i) Carry any dangerous object in the school premises;
  - (ii) Store any dangerous object in the school premises except in the officially designated places identified by the Principal;
  - (iii) Possess illegal drugs on the school premises;
  - (iv) Enter the school premises while under the influence of an illegal drug or alcohol;
  - (v) Cause any form of violence or disturbances which can negatively impact on the school activities;
  - (vi) Wittingly condone, connive, hide, abet, encourage possession of dangerous objects or refuse, fail, neglect to report the sighting or presence of any dangerous objects to the departmental authorities or the police as soon as possible; and
  - (vii) Directly or indirectly cause harm to anyone, who exposes another person who makes an attempt to frustrate the prevention of the dangerous object and activities.
  
- c) The Principal or his or her delegate may, at random, search any learner or a group of learners or the property of a learner or group of learners, for any dangerous object or illegal drug, if a fair and reasonable suspicion has been established. Such a search must be done in accordance with Section 8A of SASA.
  
- d) The Principal or his or her delegate may at random administer urine or other non-invasive test to any group of learners that is on affair and reasonably suspected of using illegal drugs only under conditions laid down in SASA.
  
- e) Disciplinary action will be instituted against a learner or anyone who contravene/s the above-mentioned rules.

### 11.3 Buildings, Grounds and Infrastructure:

- a) The SGB, SMT and staff will regularly monitor its environment (inside and outside the school) with a view to identifying the potential dangers and take reasonable measures to safeguard learners and staff.
- b) The SGB and SMT will make a concerted effort to ensure that a preventative maintenance plan is put in place to take care of major and minor maintenance.
- c) The SGB, SMT and staff will take all necessary steps to ensure that a clean, safe and hygienic environment is provided to the learners at all times.
- d) The SGB and SMT will ensure that all minor maintenance such as broken window panes, doors etc. are attended to as they occur. They will further ensure that major maintenance of the school will be attended to through written submissions to the Department.
- e) The SGB and SMT will ensure that:
  - (i) Any unused furniture/steel frame or broken furniture will be properly stored or disposed of,
  - (ii) The school grounds will be maintained by cutting and trimming the grass and trees on a regular basis,
  - (iii) Rubbish and litter are properly stored or disposed of.

### 11.4 Control of learners: late coming, during breaks, in cases of early departure and pick up/drop off points:

#### 11.4.1 Late coming of learners

- a) No learner should be locked outside the school for arriving late.
- b) In cases where learners arrive late for school, parents/guardians should be informed, and they should be dealt with through the Learner's Code of Conduct.

#### 11.4.2 During breaks

- a) Learners are not allowed to leave the school premises during break.
- b) In cases where it is necessary for learners to leave the school premises, written permission must be provided by the Principal.

#### 11.4.3 Early leave of learners at the request of parents/guardians

- a) All requests for early leave must be made in writing by parents/guardians. Such requests must be made to the Principal's office.
- b) On admitting a learner to the school, a parent must identify in writing who is allowed to collect their child in cases of requests for early leave. Parents must review this annually or as required, in writing, by the parent registering the child at the school.

- c) Persons collecting a learner from the school will be requested to provide a positive identification.
- d) The school will maintain a written record that includes the names of the learners, the learner's grade, the name and ID No. of the person checking the learner out, as well as the date, time and reason/s for early leave.
- e) In case of a dispute between parents, the review of person/s who will be allowed to check out learners early from school will be done on the basis of a court order from the parent who has registered the child at the school.

#### 11.4.4 Early dismissal

The school will take reasonable steps to ensure that parents are informed in good time if learners are to be released early to enable parents to make transport and care-taking arrangements.

#### 11.4.5 Pick up/drop off points

Parents may only pick up/drop off learners at designated points.

### 11.5 Child Protection and Care:

In accordance with the Children's Act, Strubenvale Primary will create an awareness amongst staff members that when a child's well-being is being threatened, support is not adequate and maltreated, abused, neglected, degraded or exploitation of a child is taking place, the said child is deemed to be in need of protection and the relevant authorities must be informed. Such child should be reported to the Principal. The Principal must report the matter to the parent (if not a perpetrator), SAPS and the Department of Social Development. Note: Both suspected and confirmed cases of child abuse must be reported.

### 11.6 School Activities

11.6.1 The school will take reasonable measures to ensure the safety of learners during any school activity.

11.6.2 The school takes reasonable measures to ensure that:

- a) If a learner is on medication and will require medication during the course of school activities, the parent has seen to it that the learner has sufficient quantities of the medication for the duration of the school activities;
- b) If it is necessary for the learner to carry a doctor's prescription for medication, the parent has provided the learner and the supervising educator with certified copies of such prescription;
- c) A parent is advised to report to the school, in writing, the medical condition of a learner;

- d) Before a school activity, the Principal provides a supervising educator with a report on the medical condition of a learner; and
  - e) A parent is informed about any traveling to or through a high-risk disease area during the course of the school activity.
- 11.6.3 The school will take measures to ensure that, if a learner is injured or falls ill during the course of a school activity and require medical treatment, the supervising educator:
- a) Takes measures to contact the parent of the learner concerned in order to obtain consent for such medical treatment; and
  - b) Determines whether or not to consent to such medical treatment if he or she is unable to contact the parent of the learner.
- 11.6.4 The school will, in writing, supply the detailed information to the parent of the learner who will undertake the school activity.
- 11.6.5 Immediately after returning from a school activity, the supervising educator will submit a report to the Department and to the Chairperson of the SGB.
- 11.6.6 The school will only allow learners that have obtained written consent from the parent to attend the school activity.
- 11.6.7 The school will ensure that if its own vehicle/s are used for transporting learners, such vehicle/s has/have insurance and roadworthy certificates and driver/s is/are in possession of valid driving licenses and professional driving permits.

## 11.7 Important Considerations to promote School Safety

### 11.7.1 School Ownership

Most incidences that threaten school safety can be attributed to poor management, leadership, supervision and accountability. While all school stakeholders must responsibility for school safety, the school management team must lead from the front and constantly be on the look out for possible threats to school safety and minimize/eliminate a threat before it manifests itself.

### 11.7.2 Partnership

- a) In an attempt to combat violence, crime, drug abuse, carrying of dangerous objects, bullying and gangsterism in school, an integrated approach will be taken.
- b) The school will work together with the Provincial Department of Education, the community, the Department of Community Safety, The South African Police Services, The Department of Social Development, the Department of Health and the Department of Arts and Culture to strengthen the school – police – community partnership.

## 12 MANAGEMENT OF THREATS TO SCHOOL SAFETY

The stakeholders of the school will endeavor to continuously monitor the school environment (internally/externally) to identify potential threats and mitigate these risks. The areas below have been identified as areas that threaten school safety. Preventative measures are provided here while Annexure A provides guidelines of what the Principal should do when a threat to school safety occurs.

### 12.1 School Violence

- a) No form of violence committed by one learner on another or a teacher on a learner or the learner on a teacher will be tolerated at Strubenvale Primary School.
- b) The school is committed to the South African Schools Act, Section 10 which states that: “No person may administer corporal punishment at a school to a learner and if this is contravened such person will be guilty of an offence and liable to a sentence which could be imposed for assault.”
- c) In a similar manner a learner who assaults another learner or a teacher will be guilty of an offence. Steps will be taken against such a learner to ensure that a sentence is imposed for assault.

### 12.2 Bullying

- a) Bullying is outlawed at Strubenvale Primary.
- b) The school adopts a zero-tolerance approach to bullying in accordance with the Bill of Rights to protect children from maltreatment, neglect, abuse or degradation.
- c) The school will train learners, educators and support staff that bullying is everyone’s responsibility and that any incidents of bullying in the school need to be reported, recorded and investigated.
- d) The training will include strategies that can be used to prevent or stop bullying such as interaction between learners, discussion groups, peer mediation, one-on-one mentoring or “buddy system” where older children look after younger children, bystander or spectator support.
- e) The school safety committee will select and train monitors on how to identify and monitor incidents of bullying and on how to implement the intervention strategies to address the problem such as installing cam coders and telephones in every classroom. This will assist the school with viewing any suspicious activities and make emergency calls to the police if necessary.
- f) Every incident of bullying will be dealt with through the Code of Conduct, and
- g) The school will conduct background checks with SACE to check the suitability of educators and in the case of former teachers check with GDE.

## 12.3 Gangsterism

12.3.1 To implement actions against gangs or gangsterism, the school:

- a) At the first suspicion of gangsterism or gang related activities, the relevant school officials will inform the District Office and the police authorities about suspected gang – related activities on or near the school property.
- b) The school will enforce the school uniform policy in an attempt to maintain discipline and differentiating visitors from learners in the school, and
- c) The school will collaborate with other sectors and departments within the government to achieve success in combatting gangs in the school and community. These will include civic organisations or associations, religious groups or associations, youth commissions, Childline, Lifeline and the local police.

## 12.4 Abuse and Sexual Abuse

12.4.1 The school will implement the Action Strategies against abuse by way of:

- a) Urging learners to report any incidents of abuse to the Principal or any staff member that they trust,
- b) Staff members will be sensitized to note changes in learner’s behavior and record a learner’s behavioral changes towards classmates, peers and other educators in a record book over a few days or weeks,
- c) Where necessary, educators/members may interview peers or classmates, maintaining confidentiality,
- d) The School Safety Team will inform learners regularly that, in case of any abuse or rape, what course of action should be followed. The School Safety Team will empower educators to advise learners, in case of sexual abuse/rape on which steps to take to retain the evidence and maintain confidentiality,
- e) Educating learners about abuse, places to avoid, what to do if abused and where to go for help,
- f) Educating learners about their rights and where to get counselling and medical attention if abused. The school will teach learners self-defense mechanisms and strategies to build or re-gain their confidence; and

12.4.2 No pornography is allowed at school. Any learner, educator or support staff member that is caught in possession of pornography will be dealt with through the relevant disciplinary procedures. The material and device on which the material is displayed will be confiscated by the school.

12.4.3 The school Code of Conduct does not allow anyone to film anything on the school premises without the permission of the Principal.

## 12.5 Initiation Practice

12.5.1 No initiation practices will be allowed in the school. Any person who conducts or participates in the initiation practices against a learner is guilty of misconduct and disciplinary action will be instituted against such a person in accordance with the applicable code of conduct.

12.5.2 Any person within the school found subjecting learners to initiation practices will be charged with serious misconduct.

## 12.6 Confidentiality

The stakeholders must ensure that reported cases and acts of intimidation, maltreatment, rape, abuse neglect, degradation or exploitation will be treated with confidentiality.

## 12.7 Occupational Health and Safety

- a) Strubenvale Primary will provide for the health and safety of learners in connection with the activities of learners in the school premises.
- b) The school safety team will advise on the emergency evacuation procedures, which must be displayed in all offices, classrooms and amnesties.
- c) The school safety officer must ensure that fire extinguishers are installed and maintained regularly, (maintenance certificates to be filed).
- d) Rules for the safe use of laboratory and workshop including the storage of chemicals, tools and equipment must be displayed in the laboratory.
- e) The school will ensure that first aid kits are fully equipped, utilized and maintained on a regular basis.
- f) There should be First Aid Kit boxes in all the classrooms and sickbay.
- g) The following list of contents should be kept in the first aid kit and used to ensure that the first aid kit is always replenished:

### 12.7.1 Minimum Contents of Emergency First Aid Box

### 12.8 Allocation of Duty to Educators

12.8.1 In keeping with the requirements of PAM Chapter A Para 3.1(i)(dd), all educators are expected to perform pastoral duties and therefore be on duty points to monitor learners in toilets, hallways, empty classrooms, at school gates, in the school grounds as well as scholar patrol.

12.8.2 A roster will be developed to facilitate daily monitoring of areas around school where any form of violence, bullying, substance abuse may take place, and

12.8.3 An incidence book (Refer to Annexure D) must be maintained daily for the purpose of reporting whether or not anything occurred or not as well as what action was taken in cases where incidents were observed.

## 13 COORDENATING STRUCTURE FOR SCHOOL SAFETY AT SCHOOL LEVEL

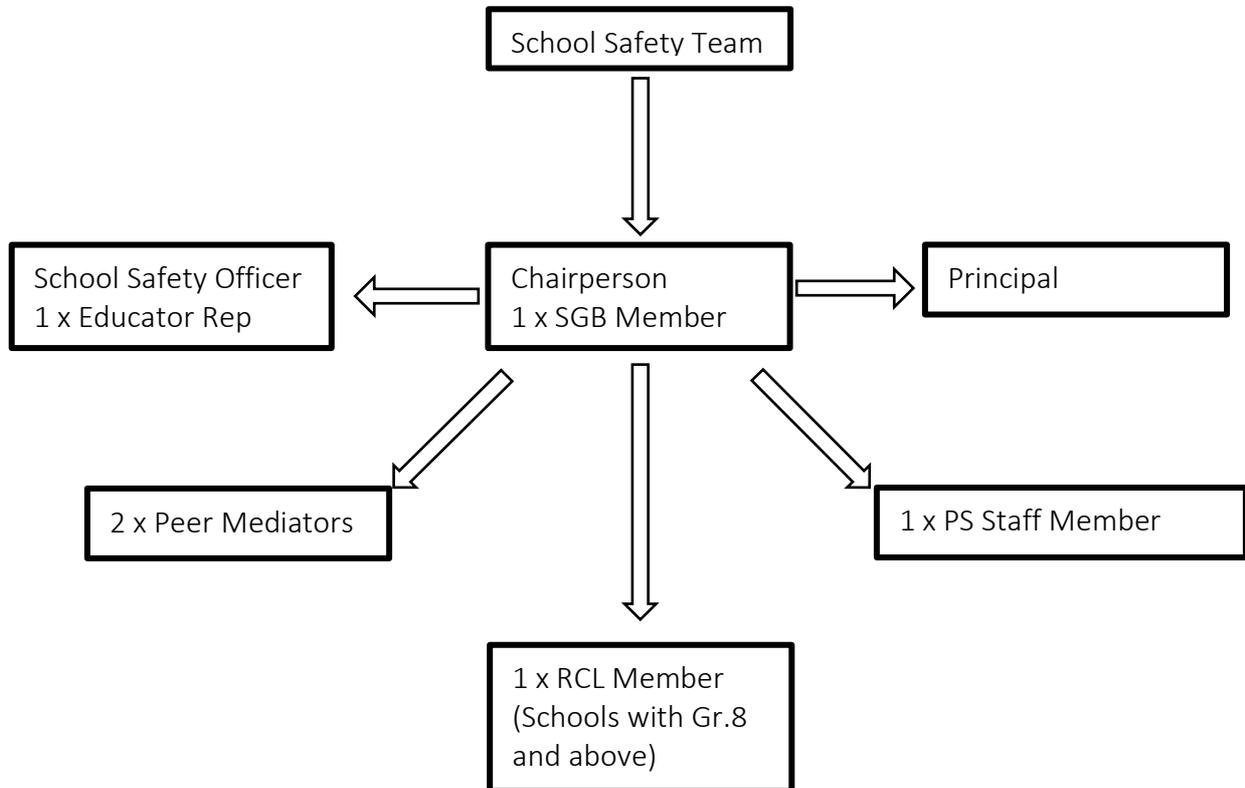

The School Safety Officer together with a School Safety Team shall coordinate the following:

- a) All school safety programmes, including campaigns at school and the display of safety signs, including the rights to admission to the school;
- b) Develop a Safety Plan that will outline action plans to counter threats of violence; (Refer to Annexure B)
- c) Forge partnerships with all relevant government departments at school level, including community – based organisations and the school community;
- d) Support learners/educators that are experiencing serious safety issues;

- e) Advise DSSC on training programmes to empower stakeholders on safety issues in the District,
- f) Represent the School on matters relating to safety and give feedback to the school safety committee;
- g) Monitor the implementation of the safety policy and plans, through:
  - (i) Observation,
  - (ii) Collecting and analyzing data and reports on issues that impact on School Safety, and
  - (iii) Reporting timeously to SMT and DSSC on progress with plans, challenges, trends and actions taken.
- h) Together with the SBST:
  - (i) Identify learners at risk and keep their profile, and
  - (ii) Inform the parents of the above learners about the risk facing their children and what actions will be taken by the committee.
- i) Identify the hot spot areas in the school for frequent monitoring; and
- j) Make the necessary referrals to the relevant stakeholders according to the nature of the violence and crime.
- k) Organise quarterly information sharing meetings with the relevant stakeholders.

### 13.1 Composition of the School Safety Team

Note: In cases where the school already has a committee through the occupational health and safety act, they will continue to operate as the school safety team and the composition should, at minimum have the same representation as below:

### 13.2 Roles and Responsibilities
