21 June 2020

SUSPENSION OF GRADE 7 CLASSES AT STRUBENVALE PRIMARY

Dear Parents

One of our staff members tested positive to Covid-19. The school Health official visited the school and an assessment of the situation was done.

A recommendation as guided by the Department of Health was made in line with the Standard Operating Procedures, that if an employee has tested positive and has also been in contact with other employees in the same workplace, all employees that were in close contact must be self-quarantined.

A decision has been taken to close the school until 1st July 2020. The school will, therefore re-open for our Grade 7 learners on the 2nd July 2020.

During this period while the school is closed, decontamination will be done by the Department of Education of the whole school.

The staff member while at school had been wearing the PPE's and observed all health Regulations and Covid-19 protocols, however all this is done to ensure the safety of all staff and learners.

Yours in education

Mr C.F. Ramos

Principal
